Due Date for Fall 2016 Internships:

April 1, 2016 – Application Reviewed and Signed by both Candidate and Advisor

Please note that many of the required documents must be signed by the candidate and his/her advisor. A candidate must make arrangements in advance with the advisor to review the packet and obtain the necessary signatures. The candidate should submit the completed packet to the advisor. Partially completed packets will not be accepted. A late packet may result in the candidate not being approved for enrollment in the following semester’s internship.
INSTRUCTIONS FOR COMPLETING THE TEACHING INTERNSHIP APPLICATION PACKET

Welcome to this next stage of your degree program and accomplishments!

**Deadlines:** All candidates in teacher education programs must successfully complete an internship as a requirement for program completion. In order to be approved for an internship, candidates must submit a completed Teaching Internship Application Packet by April 1, 2016 for an internship in the following Fall 2016 semester.

**Concurrent Enrollment:** Candidates enrolling in the internship must also enroll in EDTE 689, the three-credit-hour seminar that accompanies the internship.

**Prerequisites:** Prior to being approved for the internship and seminar, candidates in Early Childhood or Elementary Education must have qualifying scores on the Internship Readiness Assessment; candidates in Secondary English, Secondary Social Studies, Special Education, or Teaching of English to Speakers of Other Languages (TESOL) must have qualifying scores on the Comprehensive Examination.

Candidates must have successfully completed all General Education Requirements.

Candidates must have successfully completed all program core and specialization courses, with grades as required in the catalog and School of Education policies.

**Next Steps:** Once the Application Packet is complete, your advisor will review potential placement sites. Once all prerequisites are met, the placement site will be determined/approved.

**Packet Contents:**
A completed Internship Application Packet includes:
1. A completed Internship Application Form (pages 3-8, including Appendix A Criminal History Disclosure Statement and Appendix B Current Resume)
2. A completed General Education Worksheet
3. A completed Program of Study
4. TB test results, which may be submitted within four weeks after Application Packet is submitted (see page 5)
5. If the candidate is not employed or previously cleared by the school district in which the candidate will fulfill the internship, the candidate will need a national background check. An FBI/National Criminal History Background Check may be submitted within four weeks after the Application Packet is submitted. (See page 5.) Information on how to obtain this background check is available in the EDU hall (Trinity Main Building 3rd floor).
6. Indication of Liability Insurance coverage (if employed, by School). If the candidate is not covered by their school, information on how to obtain coverage is available in the EDU hall (Trinity Main Building 3rd floor). Forrest T. Jones and Company [www.ftj.com](http://www.ftj.com) and many Professional Associations, such as the International Reading Association and others, offer liability insurance for interns (student teachers).

*Please note that many of the required documents must be signed by the candidate and his/her advisor.* A candidate must make arrangements in advance with the advisor to review the packet.
and obtain the necessary signatures. The candidate should submit the completed packet to the advisor. Partially completed packets will not be accepted. *A late packet may result in the candidate not being approved for enrollment in the following semester’s internship.*

**Internship Location**: Trinity University makes all internship placements. Your advisor will seek candidate input regarding preferences and consider factors such as travel time. However, placements are finalized on the basis of school need, teacher and classroom availability, the professional development needs of the candidate, and guidelines and requirements set by accreditation and licensure bodies.

If a candidate seeks to complete the internship in his/her place of employment, your advisor will research whether such a placement meets certification and program guidelines. In addition, if a candidate seeks to complete the internship at her/his place of employment, but was not employed in the same position/grade level and at the same location at the time this application packet was submitted, the candidate must immediately inform the advisor and provide the necessary information for the placement to be research and approved. If this information is not provided in a timely manner, and/or the placement is not approved, the candidate may be placed in a school with an appropriate internship slot, as available.

Please contact your advisor with questions about the Teaching Internship packet.
