SNAP Verification - Dependent Student

Student’s Name: ________________________________  Trinity ID: ________________

TO BE COMPLETED AND SIGNED BY PARENT AND STUDENT

Your FAFSA was selected for a review process called verification. Federal regulations require us to perform this verification of information on your FAFSA before any need-based federal or institutional aid can be disbursed. One component of the verification process requires the parent/guardian to submit information regarding the receipt of Supplemental Nutrition Assistance Program (SNAP) benefits.

I certify that a member of the parents’ household received benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as the Food Stamp Program) sometime during 2014 or 2015.

The parents’ household includes:

- The student.
- The parents who completed this form (including a stepparent).
- The parents’ other children ONLY IF the parents will provide more than half of their support from July 1, 2016 through June 30, 2017, or if the other children would be required to provide parental information if they were completing a FAFSA for 2016-2017. Include children who meet either of these standards even if the children do not live with the parents.
- Other people if they now live with the parents and the parents provide more than half of their support and will continue to provide more than half of their support through June 30, 2017.
