2008-2009 PLUS Pre-Approval/Loan Application

The PLUS loan is a non-need-based federal loan program available to parents of undergraduate dependent students or Graduate students. Parents and Graduate students are eligible to borrow up to the cost of education less other financial aid received by the student. The origination fee for PLUS Loans is 3 percent. Repayment begins 60 days after disbursement. The PLUS interest rate is variable and is capped at 9 percent. PLUS loans are credit based. If a parent is denied for a PLUS loan, the student is then eligible for additional unsubsidized loan funds.
