New Student Orientation Spring 2014

Monday, January 13th & Tuesday, January 14th

Welcome!

We are so glad to have you as a member of our community. Over the next two days you will have the opportunity to meet your classmates, faculty, and staff members, all of whom will play an important role in your college experience.

Throughout orientation we will be sharing important information that will help ease your transition to the college and prepare you for academic and personal success.

New Student Orientation is required for all new and transfer students. With this in mind, **students are expected to attend all of the scheduled programs.**

During orientation, faculty and staff will be available to answer any questions you may have about coursework and student life at Trinity.
