Data Sources for Curricular Assessment

Data Sources for Continuous Curricular Assessment in CAS and SPS (2006-2015)*	
Enrollment and retention reports	Course enrollment and repeat course patterns – time to foundational coursework
Academic standing, Advising and Triage/Care Team reports	Learning community outcome reports
Specialist reports on pre-foundational to foundational course exit competencies and learning outcomes	Exit Competencies for Course Units (My Math Lab, My Writing Lab, Pre-post tests)
Science/pre-nursing cohort course outcomes	Results from S and non S-course unit outcomes (comparisons)
Capstone course assessments	Key "barrier course" reports
Writing outcomes (writing in the disciplines and writing across the curriculum)	Accuplacer Score Reports
General Education transcript credit audits and waiver analyses	Internal Placement tests
Experiential Learning Outcome reports	External benchmarking
