# **This Week in Academic Services**

## **October 5 – 10, 2015**

There are no Academic Success Seminars scheduled this week because of scheduled midterm exams. Students may request individual appointments with Dr. LaBoone if needed.

Next week, there will be workshops on college learning, study skills, memory techniques and test anxiety.

For coming program information, visit [www.trinitydc.edu/academic-support/upcoming-events/](http://www.trinitydc.edu/academic-support/upcoming-events/).

**Walk in Tutoring** is available Monday - Friday to provide assistance to students who need help in a variety of classes especially math and science. You may walk-in for tutoring help without an appointment. However, to be sure there will be tutors on hand with expertise in the subject you need, consult the full schedule, complete the registration form or contact [Dr. LaBoone](#).

**Writing Center Walk in Assistance** is available to support students during various phases of the writing process. Peer tutors will assist you with developing an outline and improving the structure of your paper, but will not edit papers. (For editing, we recommend you partner with a classmate or contact your instructor/professor for help.) For additional information, contact [Mr. Swinney](#), Director of the Writing Center.

**STEM Up Tutoring** is provided by Ladies F.I.R.S.T. to offer help for students enrolled in BIOL 101, 111, 112, 112; CHEM 111 and 112. This tutoring is led by upper

class students who have succeeded in these courses.
